Notification dated 28th October 1953.

No. G.N. 71. The attention of the firms dealing in hardware materials is invited to this office Notification No. G.N. 71, dated 28th October 1953, inviting tenders for the supply of Bolts and Nuts and Rivets, published on page 1422 of Part VI of the *Mysore Gazette*, dated 5th November 1953.

Intending tenderers are requested to apply to the undersigned for copies of detailed notification.

1289a

Notification dated 10th November 1953.

No. G.N. 73. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 3 P.M. on 10th December 1953, for the supply of the following, the terms of delivery being Ex-our CPS. Central Stores/f.o.r., Bangalore.

The tenderers should quote their best billing prices, which should be firm for a period of one month from the due date of the tender. The rates should be quoted in figures and words. The earliest period within which delivery would be effected may be specified in the tender. Full specifications regarding make, etc., should be specified in the tender along with manufacturer's name, etc., complete. Samples, wherever possible, should be sent for inspection. The quantities in each item to be purchased may be varied according to actual requirements at the time of placing orders.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in this Department for local purchases.

The tenders should be superscribed as "Tender for the supply of one 12" Grinding Machine, Pedestal type, 2 H.P. Motor, 3 phase, 50 cycles, etc.," to be opened on 11th December 1953.

Specifications for the Grinding Machine.—

ONE 12" Grinding Machine, Pedestal Type rugged in construction and design, with about 2 H.P. Motor suitable for 440 volts, A.C., 3 phase, 50 cycles, supply with 12" × 1½" Emery Wheels, 1 wet and 1 dry fitted to the spindle on either side of the motor. The motor should be fitted to the spindle itself. It may be noted that Pedestal Type with the motor fitted in the base with belt drive will not be accepted. The equipment should be supplied complete with Twist Drill Grinding attachments. The following additional information should also be furnished :—
